

## Quilt Camp Packing List

1. Sewing machine with foot pedal, bobbin case, cord, extra bulb, oil, screw driver (for machine) and instruction book
2. Extension cords and power strip
3. Cutting mat, rotary cutter(s) and rulers
4. Scissor for fabric and paper
5. Seam ripper (better known as un-sewer)
6. Thread and extra pre-wound bobbins
7. Needles for machine and hand sewing
8. Safety pins, straight pins and pin cushions
9. Lamp with extra bulb
10. Masking or plumbers tape
11. Batting or thermolam
12. Spray starch or fabric sizing
13. Side table and ironing mat
14. Iron and ironing board, water for iron
15. Your favorite sewing chair or pillows for chair provided by camp
16. Shower items, toiletries, clothes, pajamas, slippers, walking shoes, any medications you may need (prescriptions, aspirin, ibuprofen, cold or allergy tablets, etc.)
17. Fabric, fabric, fabric (if you pre-cut your projects, it is a good idea to bring all leftover fabrics for your projects, just in case!)
18. Snacks and beverages of your choice
19. Flashlight, a book to read

It is a good idea to put your name on rotary cutters, mats, rulers or other items, as they are frequently used by others.

You will have more time to sew if you have already cut your fabrics for your projects. Pack each project with the pattern in a separate container. Bring several projects to work on, as you can get a lot done when you just sit and sew. It is also a good idea to have your machine serviced before camp, as it gets a good workout.

These items are not a requirement, just suggested items to bring. You may bring anything else you like to sew with, and we have all forgotten things to bring. If you do forget anything, there is usually someone with the item who is willing to share. Come prepared to have a fun, productive and relaxing weekend.
